To Whom It May Concern:

Please allow this letter to serve as the official record of Mr. Michael A. Kapneck Sr.'s involvement with Universal Lightning Protection Inc., of Rockville, Maryland. Founded by Mr. Kapneck in the late 80's, ULP Inc., is a uniquely specialized firm providing lightning protection solutions, grounding systems and surge protection for a multitude of private and government sector structures.

It should also be noted that Mr. Kapneck selflessly gave his time and energy with absolutely no expectation of financial gain or reimbursement to uphold the entity herein. His only driving force, to simply afford his children with a better life than he himself had. A goal he proudly achieved. Please see 8-28 which are the jobs he personally bid for 2021, 2022, 2023 and 10 of our most prestigious projects throughout the years.

With the above stated, Universal Lightning Protection Inc., is family owned and operated. We have now been in business for nearly 30 yr.'s, never once cited by The Better Business Bureau, OSHA or The Underwriters Laboratory. In addition, Universal Lightning Protection Inc., is a Minority, Hispanic, Women Owned SB (small business).

Finally, Mr. Kapneck is essential to our company and we eagerly await his return. We are fully abreast of the tentative terms & conditions and collectively stand ready to assist in any capacity required (i.e. employee drug testing, working with CFAP, the courts and any other agency that may govern Mr. Kapneck's employment/release).

On behalf of Universal Lightning Protection Inc., & Mr. Kapneck's entire family, we pray the information provided satisfies in regard to Mr. Kapneck's gainful employment upon his reintegration into society/the workplace. Should there be any additional information needed, please do not hesitate to contact me directly on my personal cellular number noted below.
